Medicare Changes Coming in 2023

What changes can adults expect for Medicare in 2023?

Participants are only given a 54 day window to make health decisions that affect them for the entire next year.

Starting on Oct 15 and ending on Dec 7 for those over 65, Medicare's annual enrollment period gives participants a chance to review and make changes to their current plan.

Bruce Barnes, Medicare/Medicaid Specialist Volunteer through Area Agency on Aging of Northwest Michigan will be conducting an educational seminar.

This is an educational forum and no specific plans will be discussed. RSVP to Leelanau County Senior Services.
